# WE'RE THE BATTERYOLOGISTS

☎ **13 17 60** for your nearest store

With over **100 stores** Australia wide, our Batteryologists are here to help you. Visit [batteryworld.com.au](http://batteryworld.com.au)

Interested in owning a Battery World store? Call **1300 793 209**

Offer and pricing available until 24/12/17, or while stocks last, whichever occurs first. Some products may not be available at all stores and may need to be ordered (deposit payable for orders). Offers in this catalogue not to be used with any other offer. Credit card surcharge may apply. Warranty is in addition to your rights under the Australian Consumer Law. +Roadside replacements may not be available if vehicle is further than 8km radius from a Battery World store. Cost of replacement battery and delivery will be quoted beforehand. Battery World endeavours to supply replacement batteries in accordance with the vehicle manufacturer's requirements. If a suitable battery is not available, a temporary battery may be fitted. \*During business hours in store only. Battery Health Check valid for automotive and marine batteries only. Fitting service and Battery Health Check service only available for batteries purchased from Battery World. For certain vehicles, battery fitting and Battery Health Check services are not available and/or fees may apply. Please seek advice from your local store. BW0681
