

Going Off grid?

Check these essentials before heading off-grid to keep your power, gear and adventure running smoothly

- ☐ **Power Up** - Check and pack batteries for lights, fridges and devices.
- ☐ **Stay Charged** - Bring chargers, solar panels, or a power station to keep gear running.
- ☐ **Stay Safe** - First aid kit, torch, maps, emergency contacts and insect repellent.
- ☐ **Shelter and Sleep** - Tent, sleeping bags, mats, extra blankets or tarps.
- ☐ **Food & Cooking** - Cooked meals, water, stove, fuel, utensils and rubbish bags.
